Hospice Services

Hospice Services What is hospice?

Hospice is a compassionate, specialized healthcare service designed to provide comfort and support to patients with a life-limiting illness. Hospice provides support to the patient and family by caring for physical, psychological, and spiritual needs.

Who is part of the Hospice team?

The hospice team is comprised of physicians, nurses, social workers, therapists (as needed for safety), nursing assistants, chaplains, and volunteers.

What Hospice services are available?

- Physician Home Visits
- Pain Management
- Medications
- Nursing Visits
- Medical Social Services
- Holistic Therapies (such as massage, aromatherapy, music therapy, and therapeutic touch) As Available
- Spiritual Counseling
- Bereavement Support
- Family/Caregiver Counseling
- Arranging Medical Equipment

Who qualifies for Hospice care?

Hospice care is available to anyone with a life-limiting illness that meets disease-specific admission criteria.

Where can I receive Hospice care?

Hospice care comes to you—at home, in assisted living centers, retirement centers, and skilled nursing facilities, where you may be located.

Home Healthcare Services

What Home Health services are available?

- Nursing
- Cardiac Care
- Disease and Medication Management
- Fall Prevention and Safety
- Pain Management
- Medical Social Services
- Physical, Occupational, & Speech Therapy
- Wound Care

Who is directing my care?

And is the schedule of care flexible?

Your doctor will direct the care provided by Bridges. While your doctor will establish the frequency of your care, Bridges professionals will work with your schedule to make the timing as convenient as possible.

Why should I consider Bridges Community Homecare & Hospice?

Bridges is committed to providing the highest quality of care using the most up-to-date healthcare advances and practices. Our goal is to help our patients achieve the highest level of health and independence. We are a Medicare-certified provider.

Will my insurance cover Home health and hospice?

Bridges services are covered by Medicare and many private health insurance companies. Our staff assists clients and their families in determining insurance coverage and payment options.
